

PRESCHOOL

We welcome every learner...

All Preschool classrooms:

- ◇ Provide a nurturing and stimulating preschool environment
- ◇ Meet high standards set by both state and federal government and are organized around the Minnesota Early Learning Standards and the Early Childhood Indicators of Progress
- ◇ Employ licensed teachers who are committed to creating an environment which will prepare children for kindergarten in district schools
- ◇ Partner with Schools of Eastern Carver County Early Childhood Special Education
- ◇ Are organized to support developmentally appropriate activities where play opens up the world of learning for young children
- ◇ Follow the school year calendar for half-day opportunities and remain open year round in full-day programs.

Child-Only Preschool

Our inclusive, culturally responsive preschool is committed to meeting the needs of every learner. Curriculum focuses on social, emotional, cognitive, physical and creative development with strong emphasis on pre-math and pre-literacy skills. Our preschool curriculum is aligned with the District's elementary academic program and teachers utilize the Houghton-Mifflin Harcourt Story Town reading curriculum for pre-kindergarten classes.

Half-day and full-day opportunities are available. Parents are welcome and encouraged to visit the classroom at any time.

Preschool PLUS Parent Education

Preschool Plus provides a two or three day preschool experience with weekly parent involvement. The preschool days offer the same experiences as our child-only preschool. In addition, one day a week parents attend with their child to participate in exciting classroom activities before separating for a parent discussion. A licensed Parent Educator facilitates the parent group where child and family development topics are explored.
